

**ALLIED PROPERTIES REAL ESTATE INVESTMENT TRUST ANNOUNCES
\$50 MILLION IN CLASS I OFFICE ACQUISITIONS IN CALGARY AND TORONTO**

Toronto, August 4, 2010 -- Allied Properties REIT (TSX:AP.UN) announced today that it has entered into an agreement to purchase the Lougheed Building in downtown Calgary for \$31 million. Allied also announced that it has entered into an agreement to purchase 49 Front Street East and 252-264 Adelaide Street East in downtown Toronto for \$19 million.

"The acquisition of the Lougheed Building will be a big step forward for Allied Properties REIT," said Michael Emory, President & CEO. "By adding Calgary to our current target markets, we'll move our urban office platform ever closer to a national scale, something we believe will benefit both our tenants and unitholders going forward. The Toronto acquisitions strengthen our position in Downtown East, increasing our market share to nearly 45%."

Located at the corner of 6th Avenue SW and 1st Street SW in the Downtown Core of Calgary, the Lougheed Building is a Class I office property with 86,478 square feet of gross leasable area ("GLA"). It is fully leased to tenants consistent in character and quality with Allied's tenant base, has a weighted average lease term of over eight years and is historically designated.

Located on the south side of Front Street and one building east of Allied's Beardmore and Perkins/Dixon buildings, 49 Front Street East is a Class I office property with 19,936 square feet of GLA. Located on the north side of Adelaide Street East, just east of Jarvis Street, 252-264 Adelaide Street East is a Class I office property with 50,217 square feet of GLA. Both properties are fully leased to tenants consistent in character and quality with Allied's tenant base and are historically designated. The Adelaide property comes with the right to purchase 20 underground parking spaces at \$25,000 per space upon completion of the adjacent condominium project and the right to use 20 surface parking spaces in the interim.

The acquisitions are expected to close in October, 2010, subject to customary conditions. The \$50 million purchase price for the three properties represents a capitalization rate in excess of 8% applied to the annual net operating income ("NOI") from the properties. On closing, the Lougheed Building will be subject to a first mortgage in the approximate principal amount of \$22 million, having a term of 10 years, bearing interest at approximately 4.75% per year and being payable in blended instalments of principal and interest based on a 25-year amortization. On closing, the two Toronto properties will be subject to a first mortgage in the principal amount of \$10.14 million, having a term expiring on August 1, 2011, and payable as to interest only at floating rate equal to the One-Month CDOR Interbank Bid BA Rate plus 2.2%. Allied will fund the balance of the \$50 million purchase price initially from its acquisition line of credit and ultimately by placing conventional first mortgages on unencumbered properties in its portfolio.
